

Natural Resources Agency and California Environmental Protection Agency to Hold Stakeholder Briefing Call

Senior officials from the Natural Resources Agency, the Department of Water Resources, the Department of Fish and Wildlife, and the State Water Resources Control Board will hold an environmental stakeholder conference call today to discuss significant responses to the current drought. On January 17, 2014, Governor Brown proclaimed a state of emergency caused by drought. This will be a listen-only call followed by a question and answer session.
